42" From Floor

Adjustable Height  
Keyboard Tray/  
Mousepad Extender

WTPS42CE

WTPS42CE-N

## WTPS Model Presentation Stations - All Models Include

- Three 18" x 24" shelves for all presentation materials.
- All shelves have a 1/4" safety retaining lip and a raised texture surface to enhance product placement and minimize sliding.
- Keyboard tray with mousepad extender.
- 3-outlet UL approved electrical assembly with a 15 ft. cord, and cord management wrap. Electrical attachment is recessed so it doesn't add width to the cart.
- Measures 42"H x 18"D x 24"W.
- Cabinets are made of 20 gauge steel. Recessed chrome handle.
- Includes lock with a set of two keys.
- Cable management access in back panel of cabinet.

## WTPS42CE-N - Additional Features

- Nickel look lockable cabinet and legs suit any environment.
- Nickel/Black reversible inlays create a smooth work surface and just look great
